### Steps for completing this CRLMP Permitting Program Application

- 1 Prior to commencing a water withdrawal within the Holyoke Project Boundary that exceeds an average of 100,000 gallons per day throughout a calendar year and is subject to regulation by the Massachusetts Water Resources Commission, an applicant must submit to HG&E an application for permission for this work. This application must be submitted concurrently with the applicant's submittal for a permit under the Water Management Act, M.G.L. Massachusetts Chapter 21 G. **A copy of your Massachusetts 21G application must be submitted to HG&E with this completed document and a copy of your property deed.**
- 2 Upon receipt of the Massachusetts Water Withdrawal permit (and all other applicable State and Town permits), the applicant must forward a copy and all other applicable permits/licenses to HG&E.
- 3 Following receipt of all documents, HG&E shall issue to the applicant an approval or denial of the proposed water withdrawal construction.
- 4 The applicant must receive written approval from HG&E prior to commencing any water withdrawal construction.
